4th February 2021	3	4	4	Yes	3	
4th February 2021	5	5	5	Yes	5	
4th February 2021	5	5	5	Yes	5	Wonderful and quick presentation Good to have a review Thank you team
4th February 2021	5	5	5	Yes	5	Great teaching and up to date with new guidance. Although I'm in a different NHS board and currently studying on a NMP programme interesting to hear differences in formularies and certainly will take the education on to influence my future prescribing practice. Thank you.
