## [CPD Navigators](#)

The role of the [Institute of Health CPD Navigator](#) is to offer advice and support for individuals, employers and commissioners who are interested in our educational provision for those employed in the health and social care environment. We offer a coordinated framework of accredited courses and modules as well as a range of non-accredited CPD for both qualified and unqualified individuals.

Please send us an email and we can help you to develop your potential - [CPDNavigator@wlv.ac.uk](mailto:CPDNavigator@wlv.ac.uk)

For Advanced Clinical Practice (ACP) enquiries specifically please email: [ACPenquiries@wlv.ac.uk](mailto:ACPenquiries@wlv.ac.uk)

## [Academic Advice Sessions](#)

We understand that the higher education credit system can be difficult to navigate between different institutions; it can be difficult to keep track of credits and understand when and how they can be counted towards studies and awards. In order to help you with this, we provide an opportunity for those who are wishing to apply for a course within Institute of Health and our standalone module students who would like some advice help and guidance.
