| Would you recommend this course to colleagues? | Yes: 18 | No: | | Not Answered: 2 | | |
| | | | | | | |
| How will your practice change as a result of completing the course? | | | | | | |
| <i>I'm a GP trainee, this course is brilliant and will help in the diagnosis and management of different skin conditions we see in the gps</i> | | | | | | |
| <i>History taking skills to help diagnosis and manage skin problems</i> | | | | | | |
| <i>Would put into practice from the things learnt today</i> | | | | | | |
| <i>Better understanding of skin conditions</i> | | | | | | |
| <i>Better management</i> | | | | | | |
| <i>Excellent information. Definitely reduce use of steroid cream. Very informative.</i> | | | | | | |
| <i>This study session helped a lot on how to diagnose each condition</i> | | | | | | |
| <i>Tutors delivery: Excellent, very interesting and informative</i> | | | | | | |
| <i>I have a better insight into dermatology</i> | | | | | | |
| <i>Venue/Location: Conveniently located</i> | | | | | | |
| <i>Tutors Delivery: Excellent communicator</i> | | | | | | |
| <i>Pace of course: Good</i> | | | | | | |
| <i>Course content: Tutor very knowledgable</i> | | | | | | |
| <i>Overall view of course: Brilliant</i> | | | | | | |
| <i>Re-enforced some of my current practice. Fascinating information - feel better equipped to handle non-resolving rashes</i> | | | | | | |
| <i>I would make less referrals to secondary care</i> | | | | | | |

| | | | | | | | |
|--|--|--|--|--|--|--|--|
| <i>I will be more confident in dealing with patients presenting with skin conditions in the community</i> | | | | | | | |
| <i>Overall view of course: Excellent, very informative</i> | | | | | | | |
| <i>Very useful in terms of recognising common and atypical dermatological conditions</i> | | | | | | | |
| <i>Excellent content and delivery of a vast subject matter</i> | | | | | | | |
| <i>Will make me consider diffiantals that I would not have previously considered. Will make me consider treatment options that aren't antibiotics for treatment of dermatological conditions</i> | | | | | | | |
| <i>Venue/Location: Seating not the best - hard to see screen</i> | | | | | | | |
| <i>Course content: Not enough representation of skin conditions in dark skin - all pictures were white/light skin!</i> | | | | | | | |
| <i>Help diagnosis, Rx and overall patient outcomes as GP. However NOT enough pictures of skin conditions in people of colour!! Disappointed!!</i> | | | | | | | |
| <i>Venue/Location: Staff very noisy and room too light unable to see slide pictures</i> | | | | | | | |
| <i>Overall view of course: Only a 4 due to venue</i> | | | | | | | |
| <i>Very interesting and very informative</i> | | | | | | | |
| Additional comments: | | | | | | | |
| <i>Brilliant!!!</i> | | | | | | | |
| <i>Thank you to the lecture, wonderful delivery and thank you to the organiser</i> | | | | | | | |
| <i>Please provide ppt slides and some YouTube videos.</i> | | | | | | | |
| <i>Enjoyed the course</i> | | | | | | | |
| <i>Very interesting, relevant and up to date information</i> | | | | | | | |
| <i>Keep up the good work</i> | | | | | | | |
| <i>The talk was very informative and pitched at the correct level too change our practice</i> | | | | | | | |
| <i>Thank you - Need more examples of skin presentations in dark skin tones - This is a racial bias in dermatology which impacts patients from ethnic minorities.</i> | | | | | | | |
| <i>If it is not taught, how can we Rx effectively!</i> | | | | | | | |
| <i>I look forward to part 2! Thank you</i> | | | | | | | |
